Leadership Mendocino 2018-2019

LEADERSHIP MENDOCINO CLASS XXV

As a member of LM Class XXVI you will join more than 650 Leadership Mendocino graduates who have spent one Friday a month meeting movers and shakers and leaders from all around the County; learn about issues and ways to make a difference; and make new business connections and lasting friendships.

This ten-month program is a deep dive into issues, challenges and opportunities, as well as a glimpse of parts of our county you would never otherwise know about.

Tuition for 2018-2019 is \$1,100 and includes a professional leadership skills assessment, an overnight retreat and eight full class days. Partial scholarships are available.
