**NCO JOB APPLICANT DISCLOSURE
REGARDING POTENTIAL CONFLICTS OF INTEREST**

NCO’s policies provide for pre-screening interview panel members for potential conflicts of interest. They also prohibit direct supervision of an NCO employee by an **immediate family member**. Such potential conflicts of interest can lead to an impairment of the integrity and fairness of our hiring and employment processes. Therefore, applicants for employment are asked to disclose relationships covered by NCO’s policies. Disclosure will not disqualify an applicant from consideration. It may impact the selection of interview panel members and may require some adjustment in supervision relationships in the event the applicant is hired. ***This information will be kept confidential to the extent possible consistent with its intended use.***

NCO’s policies also provide that “No person shall be employed by . . . NCO while serving as a voting member on the Board, a shared governance body or a Committee of NCO.” An applicant currently serving in such a capacity, if offered employment at NCO, would be required to choose between the offered position and continuing service as a voting member on such body.

For purposes of disclosure, please refer to the following definition of “immediate family member” found in NCO’s policies: “Immediate family” shall include: the spouse, domestic partner, or cohabitant of an employee; an employee’s child, stepchild, foster child, grandchild or a minor for whom the employee holds guardianship; the parent, stepparent, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparent, great grandparent, brother, sister, half-brother, half-sister, stepsibling, brother-in-law, sister-in-law, aunt, uncle, niece, nephew, or first cousin (that is, a child of an aunt or uncle) of the employee, or a similar family member of a spouse, domestic partner or cohabitant of the employee. (Authority cited: Sections 55, 59, 95 and 98.8, Labor Code. Reference: Section 2066(d), Labor Code.)

Please answer the following questions, attaching an additional page if more space is needed:

IMPORTANT NOTICE:
TO ALL NCO HEAD START and EARLY HEAD START
CHILD DEVELOPMENT PROGRAM JOB APPLICANTS

Background Screening Requirements

A successful candidate being offered a position with NCO's Head Start (HS) or Early Head Start (EHS) Child Development Programs is required to complete a criminal background clearance or receive an exemption **BEFORE** being allowed to begin work. Clearances are obtained by submitting fingerprints at an approved location for a criminal background check that includes screening through the California Department of Justice (DOJ), Federal Bureau of Investigation (FBI), and Child Abuse Central Index (CACI). Clearances are then reviewed by the California Department of Social Services (DSS), Community Care Licensing Division (CCLD).

It generally takes 7-10 business days to receive a response once fingerprints are submitted. The process can take considerably longer if a Criminal Record Exemption Request must be made due to an existing criminal record. A criminal record may include any felony or misdemeanor such as a DUI or shoplifting; offenses committed as a juvenile are included in the review.

If you are offered a job with an NCO child care program and do not already possess a current Criminal Background Clearance or Exemption to work in a child care facility, your job offer will be conditional upon you obtaining one. **If Clearance or Exemption is for any reason delayed or denied, the program may need to temporarily or permanently withdraw a job offer.**

Health Screening Requirements

There are additional health-related requirements that must be met in order to be eligible to work in an NCO HS or EHS position. Those include:

- Health Check – Required by CCLD & the Office of Head Start (OHS); performed by designated provider
- TB Test – Required by CCLD
- Proof of Vaccinations: MMR, TDAP, Flu – Required by CCLD (Flu shot requirement may be waived)

If a conditional offer of employment with NCO HSCDP is made to you, further information and paperwork will be provided to you related to meeting the requirements outlined above. It is important that you act quickly to complete all required processes and return all necessary paperwork **in a timely manner** to preserve your opportunity for employment.

Thank you for your interest in being a member of NCO's highly successful Head Start Child Development Program team. Please contact NCO Human Resources at 707.467.3200 or by email to HumanResources@ncoinc.org if you have any questions about this information.
