

CCPU Supplemental Rate Payments For Licensed Family Child Care Homes and Exempt Providers:

Agencies have received information that:

Licensed Providers who have cared for at least one subsidized child for three months between May and October 2021

Exempt Providers who have cared for at least one subsidized child between August and October 2021

Qualify for one-time payments that will be issued directly from the Foundation for California Community Colleges (FCCC)

These funds will not be coming from NCO/RCCC so it's very important for you to reach out to the Foundation for California Community Colleges at 866-325-3222 if you meet the above criteria.

You will be receiving a 1099 directly from the FCCC and/or CDSS as these funds are taxable.

If the criteria is met and you follow the process through the FCCC:

Small licensed family child care providers will receive: \$8,000

Large Licensed family child care providers will receive: \$10,000

License-Exempt child care providers will receive: \$1,500
