

# We Want to Hear from You!

The Mendocino County Local Childcare & Development Planning Council (LPC) invites you to attend our annual Public Meeting on April 8, 2024!

The LPC will be discussing the supply and demand for early care and education, which will aid the Council in setting priorities to allocate state and federal grant funds.

## MEETING INFORMATION

**Monday, April 8**  
**2:00-3:00pm**

### In person

Mendocino County Office of Education  
2240 Old River Rd, Ukiah  
Alder Boardroom

### Virtually

# The goals of the LPC are to:

- Promote access to quality childcare and development services
- Collaborate with community organizations and government agencies to provide families the best possible childcare options
- Assess the county's childcare needs once every five years
- Prepare a countywide childcare plan to mobilize public and private resources
- Develop priorities for allocation of state and federal childcare grant funds
- Support training and professional development of childcare providers
