

Provider Survey

The [California Child Care Resource and Referral Network](#) (The Network) and [Social Policy Research Associates](#) (SPR) are conducting an important survey to better understand child care providers' needs and priorities. We especially want to hear from providers operating from their homes (licensed family child care, or unlicensed individuals caring for children). Your answers will help inform The Network's strategic plan and identify ways to further support child care providers.

Participation is voluntary and the survey will take about 10 – 15 minutes to complete. Please complete this survey by May 26. You may choose not to answer any questions or parts of questions, and you can end the survey at any time. Your personal information, such as your name or location, will be kept private and will not be used or shared. All results from the survey will be reported in the aggregate and used to inform the Network's internal learnings. If you have any questions about this survey, please reach out to Cassandra Lin at cassandra_lin@spra.com.
